

Come and Eat!

We look forward to welcoming you and your family back for Wednesday night fellowship.

- Please know we are following local, state, and national restaurant association guidelines for safe food handling. The IPC kitchen and operations staff and our volunteers have all been trained in the new protocols.
- Masks are required as you enter the building and we ask that you keep them on while making your way through the food line at a social distance of 6 feet.
- We no longer have a self-service salad bar, but an entrée salad and soup will be offered as an option in the food service line. Kid's meal boxes will be served from a special kid's meal kiosk in the Fellowship Hall; and beverage stations will be available in two locations.
- Please make dinner reservations online through our website (ipcmemphis.org) or the IPC app; we encourage you to pay online in advance to cut down on money exchanges and traffic.
- Reservations close on Mondays at noon.
- Upon arrival, go to the Fellowship Hall to check in and confirm prepayment or pay on-site. Cost: adult dinner \$7, entrée salad \$6, kid's meal (ages 6-12) \$5, ages 0-5 FREE, take-out meal \$7.
